PMP Exam Prep Course

March 20 - May 1, 2004
Athens State University

Project Management Professional® (PMP) Exam Prep

The course is intended for anyone who wishes to achieve their PMP certification, who meets the requirements as identified by PMI and who has studied project management literature as identified by PMI on their web site including the PMBOK Guide. (www.pmi.org)

This workshop will help you prepare for exam success and meets PMI's certification requirements for 35 contact hours in project management education.

This course is not intended to teach the participant project management or project management industry experience. The primary purpose is to prepare the participant for the PMP Exam based on PMI identified domains and PMI recommended preparation materials.
